### A Witch In Time (Magic and Mayhem) (Volume 3) By Robyn Peterman

One of these things is not like the others—life threatening community theatre, wire hangers, chipmunks, tree-house sex-capades with a hot werewolf and head-shrinking with a porno-loving rabbit Shifter.

Actually none of these things are even remotely like the others, but it's my life and I'm going to make the pieces fit into a perfect puzzle—even if I have to shove it together and glue it with magic.

New leaf, new leaf, new freakin' leaf.

Caring for people wasn't in my repertoire until I landed in Assjacket, West Virginia. Falling in love wasn't *anywhere* on my agenda. It's messy. However, I've been told messy is what showers and therapy are for. I'm hoping that info is correct because Goddess knows I'm trying.

Never until now have I been a witch that wanted it all—the guy, the job, the friends and the place called home. Now I just have to fix my *slightly* irresponsible and *somewhat* unstable witchy ways so I deserve it.

I'm going for perfect...or at least a loose definition of the word.

Messy...here I come.

### **Editorial Review**

#### **About the Author**

NYT and USA Today best selling author, Robyn Peterman writes because the people inside her head won't leave her alone until she gives them life on paper. She writes snarky, sexy, funny paranormal and snarky, sexy, funny contemporaries. Her addictions include laughing really hard with friends, shoes (the expensive kind), Target, Coke Zero Cherry with extra ice in a styrofoam cup, bejeweled reading glasses, her kids, her super-hot hubby and collecting stray animals. A former professional actress, with Broadway, film and T.V. credits, she now lives in the south with her family and too many animals to count. Writing gives her peace and makes her whole, plus having a job where she can work in her underpants works really well for her.

### **Users Review**

#### **From reader reviews:**

##### **Norman Brown:**

This book untitled A Witch In Time (Magic and Mayhem) (Volume 3) to be one of several books which best seller in this year, that's because when you read this e-book you can get a lot of benefit into it.
