### Competition Driving By Alain Prost, Pierre-Francois Roussetot

Alain Prost has published this book in co-authorship with Pierre-Francois Roussetot, a highly experienced and active driver, as well as an accomplished journalist. This book may be interesting for a motor sports beginner or just for a fan of competition driving. It is a quick glance throughout the Formula 1 world, yet a valuable source of information for a beginning racer or for someone interested in improving the driving skills. I've found the quality of print of this book is perfect, it has lots of very high-quality colour photographs.
