Etiquette By Emily Post

A facsimile of the 1922 first edition. The world in which Emily Post's 1922 bestseller *Etiquette* appeared was one of great change, not unlike our own. The rules of social intercourse became murky and people immediately connected with Emily Post's philosophy of etiquette as unchanging and manners as a personality. This paperback facsimile of the first edition includes many tips Post gave her devoted followers on subjects such as greetings and salutations, cards and visits, teas and other afternoon parties, dinners, balls and dances, debutantes, chaperons, engagements, wedding planning, christenings, funerals, the country house, correspondence, clubs, games and sports, business, dress, everyday manners at home and abroad, and the growth of good taste in America. This book is chock-a-block full of the only civilized antidote to a world gone mad.

Editorial Review

About the Author

Emily Price Post was born in October of 1872 or 1873 in Baltimore, Maryland to Bruce and Josephine Lee Price. She was homeschooled and, later, attended finishing school in New York City. In 1892, she married Edwin Main Post, a banker from a widely known family in the social circles of Long Island. The couple had two sons, Edwin M. Post, Jr. and Bruce Price Post, who died in 1927. Subsequently, Mr. and Mrs. Post were divorced. As well as Etiquette, which was in its eighty-ninth printing at the time of her death, Emily Post wrote other works, including fiction and short stories. In addition, she wrote a cookbook, The Emily Post Cook Book. In 1946, Emily Post founded the Emily Post Institute. She died on September 25, 1960, and her name has lived on in the public domain as synonymous with etiquette.

Users Review

From reader reviews:

Margert Lewis:

Have you spare time to get a day? What do you do when you have a lot more or little spare time? Yep, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a move, shopping, or went to the actual Mall. How about open as well as read a book eligible Etiquette? Maybe it is being best activity for you. You already know beside you can spend your time using your favorite's book, you can better than before. Do you agree with it has the opinion or you have other opinion?

Angela Heller:

This Etiquette book is simply not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is information inside this e-book incredible fresh, you will get facts which is getting deeper you read a lot of information you will get. This particular Etiquette without we recognize teach the one who looking at it become critical in considering and analyzing. Don't always be worry Etiquette can bring when you are and not make your bag space or bookshelves' turn out to be full because you can have it in the lovely laptop even phone. This Etiquette having fine arrangement in word in addition to layout, so you will not truly feel uninterested in reading.

George Rodriguez:

The actual book Etiquette has a lot of information on it. So when you make sure to read this book you can get a lot of advantage. The book was authored by the very famous author. Mcdougal makes some research prior to write this book. This kind of book very easy to read you will get the point easily after reading this book.

Michael Becker:

Playing with family in the park, coming to see the water world or hanging out with pals is thing that usually you might have done when you have spare time, and then why you don't try factor that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Etiquette, you could enjoy both. It is fine combination right, you still wish to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't get it, oh come on its called reading friends.
