### **Greener Pasture on Your Side of the Fence: Better Farming Voisin Management-Intensive Grazing (4th Edition)** By Bill Murphy

Tired of cash flows that leave little money in your pocket? If you're feeding livestock in confinement rather than on pasture, you're working too hard and spending too much money. Your permanent pasture is a valuable resource that up till now has been wasted. Forget about how pastures are. Think of how they could be if they were managed with the same amount of attention that you give to your other crops. Voisin management intensive grazing takes into account the needs of both animals and plants, rather than animals alone. Its use can at least double or triple your pasture's productivity. This book explains why and how to use management intensive grazing, and what to expect from its use. It shows a way to simplify your farm operation, reduce its labor needs, increase its productivity, and improve your quality of life.

### **Editorial Review**

#### Review

"Bill Murphy's book saved our farm and changed our life! It made it possible for our son to come back home to the farm, which now that it is based on pasture will support two families, rather than going bankrupt as we were when we fed in confinement. " -- *Henry Forgues, Vermont dairy farmer*

#### From the Publisher

For nearly 20 years, Bill Murphy has been a leader in North America helping farmers to use the pasture resource to its fullest potential in cutting production costs. As many successful pasture-based farmers know, there is no cheaper way to feed livestock than on pasture and this book explains how to do it!

#### From the Author

I grew up on a farm, close to animals and the land. In all my studies at university I didn't learn anything more important or valuable than the farmer's perceptions, sensibilities, and common sense gained while living and working with my parents on the family farm. I wrote this book as if I was talking to one person, another farmer or someone who dreams of farming, so it reads easily and is easy to understand the concepts needed to manage pasture well. It's printed in large type to make reading easier after a long day. Do yourself a favor: read this book. If it doesn't make you money and save you work, send it back to the publisher for a full refund.

### **Users Review**

#### **From reader reviews:**

##### **Phillip Ruiz:**

This Greener Pasture on Your Side of the Fence: Better Farming Voisin Management-Intensive Grazing (4th Edition) book is absolutely not ordinary book, you have after that it the world is in your hands.
