Editorial Review

From School Library Journal

Grade 6 Up Sophie Hatter reads a great deal and soon realizes that as the eldest of three daughters she is doomed to an uninteresting future. She resigns herself to making a living as a hatter and helping her younger sisters prepare to make their fortunes. But adventure seeks her out in the shop where she sits alone, dreaming over her hats. The wicked Witch of the Waste, angered by "competition" in the area, turns her into a old woman, so she seeks refuge inside the strange moving castle of the wizard Howl. Howl, advertised by his apprentice as an eater of souls, lives a mad, frantic life trying to escape the curse the witch has placed on him, find the perfect girl of his dreams and end the contract he and his fire demon have entered. Sophie, against her best instincts and at first unaware of her own powers, falls in love. So goes this intricate, humorous and puzzling tale of fantasy and adventure which should both challenge and involve readers. Jones has created an engaging set of characters and found a new use for many of the appurtenances of fairy tales—seven league boots and invisible cloaks, among others. At times, the action becomes so complex that readers may have to go back to see what actually happened, and at the end so many loose ends have to be tied up at once that it's dizzying. Yet Jones' inventiveness never fails, and her conclusion is infinitely satisfying. Sara Miller, White Plains Public Library, N.Y.

Review

"!Her hallmarks include laugh-aloud humour, plenty of magic and imaginative array of alternate worlds. Yet, at the same time, a great seriousness is present in all of her novels, a sense of urgency that links Jones's most outrageous plots to her readers' hopes and fears!" Publishers Weekly

From the Back Cover

In which a witch bewitched the hatter's daughter -- and then some. . . .

Sophie lived in the town of Market Chipping, which was in Ingary, a land in which anything could happen, and often did -- especially when the Witch of the Waste got her dander up. Which was often.

As her younger sisters set out to seek their fortunes, Sophie stayed in her father's hat shop. Which proved most unadventurous, until the Witch of the Waste came in to buy a bonnet, but was not pleased. Which is why she turned Sophie into an old lady. Which was spiteful witchery.

Now Sophie must seek her own fortune. Which means striking a bargain with the lecherous Wizard Howl. Which means entering his ever-moving castle, taming a blue fire-demon, and meeting the Witch of the Waste head-on. Which was more than Sophie bargained for. . . .
