Read Review below:

Lucien's Mate was a pleasant surprise. Shifterstories are a dime a dozen these days and very predictable. I happen to enjoy the genre and do try to find new and exciting authors to explore. Ms. Persaud has written a sexy, delightful tale. I loved the humor as well as the sensuality. Lanie is funny, strong and sassy. She's just the mate an arrogant alpha like Lucien needs. Lucien's Mate is a great story with fascinating characters. The author creates an interesting world and fills it with people we care about. A sexy seduction and an exciting climax round out a very enjoyable read. I highly recommend this story and can't wait for more to come. I'd love a story for Kane.

About the Author

Author. Businesswoman. Mother. Wife. Daughter. Sister. Like most women, Diana wears many hats, sometimes several at once.

Diana decided to write erotic romances so she could continue working while staying at home to raise her children. Although her life can be challenging sometimes, she would not have it any other way.

Between potty training and helping with homework, she has managed to write several erotic novellas and is working on two dozen more.

Diana has a degree in Science and is a former teacher.

The inspiration of her first erotic novella, Lucien's Mate, came from her own experiences. Like Lanie, the central female character in Lucien's Mate, Diana also heard warning bells when she first saw her husband. After a much longer pursuit, she finally agreed to be his mate.
