Editorial Review

About the Author

Hi friend, My name is John Market and I want to get you the good life! Of course, I want that for myself and I am currently in pursuit of my ideal self, but as Stephen Covey conveys in his book, "The 7 Habits of Highly Successful People", successful people focus on inter-dependence over in-dependence. That's the difference between "How can WE win?" and "How can I win?" Let's live life together! I'm currently an entrepreneur based out of Philadelphia, PA. I grew up in New Jersey and I always wanted things. But like many people, I wasn't given the tools to get those things, like the value of hard work, working smart, having a team, outsourcing, etc. Through my teens and early twenties and struggled to find a footing in life. I didn't have a place carved out for me and by me. I didn't have mentors that have been through what I was going through. Well I worked on developing skills, destroying my ego, and finding success in life and now I'd like to be one of the people who can help you do you. In my free time I write books that add value to your life. If you're pursuing your ideal self, then I want to be in your corner cheering you on! Currently, my interests include: longboarding, travel, building relationships, living an active lifestyle, and talking to people. Check out my work and let's LIVE!
