Riots, Pogroms, Jihad: Religious Violence in Indonesia By John T. Sidel

In October 2002 a bomb blast in a Balinese nightclub killed more than two hundred people, many of them young Australian tourists. This event and subsequent attacks on foreign targets in Bali and Jakarta in 2003, 2004, and 2005 brought Indonesia into the global media spotlight as a site of Islamist terrorist violence. Yet the complexities of political and religious struggles in Indonesia, the most populous Muslim country in the world, remain little known and poorly understood in the West. In *Riots, Pogroms, Jihad*, John T. Sidel situates these terrorist bombings and other "jihadist" activities in Indonesia against the backdrop of earlier episodes of religious violence in the country, including religious riots in provincial towns and cities in 1995-1997, the May 1998 riots in Jakarta, and interreligious pogroms in 1999-2001. Sidel's close account of these episodes of religious violence in Indonesia draws on a wide range of documentary, ethnographic, and journalistic materials. Sidel chronicles these episodes of violence and explains the overall pattern of change in religious violence over a ten-year period in terms of the broader discursive, political, and sociological contexts in which they unfolded. Successive shifts in the incidence of violence—its forms, locations, targets, perpetrators, mobilizational processes, and outcomes—correspond, Sidel suggests, to related shifts in the very structures of religious authority and identity in Indonesia during this period. He interprets the most recent "jihadist" violence as a reflection of the post-1998 decline of Islam as a banner for unifying and mobilizing Muslims in Indonesian politics and society. Sidel concludes this book by reflecting on the broader implications of the pattern observed in Indonesia both for understanding Islamic terrorism in particular and for analyzing religious violence in all its varieties.

Editorial Review

Review

"John T. Sidel has written an original, wise, and lasting book unlike the vast majority of breathless, ambulance-chasing, and shallow studies of ethnic and religious violence. If you are more interested in the deep historical and structural causes of political violence—in the accumulation of social dynamite—rather than the particular match that lights the fuse, then, this is the only book you'll need to understand contemporary Indonesia."—James C. Scott, Sterling Professor of Political Science and Anthropology, Yale University

"John T. Sidel's method and conclusions—and, indeed, the very aims of his analysis—are pathbreaking. Riots, Pogroms, Jihad is destined to become one of the most important works in Indonesian studies of the post-Suharto period. It will be critical to scholars and policymakers eager to understand the dynamics of Indonesian politics and society. Political scientists, historians, and anthropologists working outside of Southeast Asia will also find in this book a fruitful guide to developing new ways of thinking about religion and violence elsewhere in the world."—Danilyn Rutherford, University of Chicago

"Beneath the many phenomena of violence that John T. Sidel has amply researched, he rightly discerns and repeatedly describes a key role for anxieties about religious identity."—Theodore Friend, Foreign Policy Research Institute, Philadelphia

"This is an important and original book that compares diverse contexts and manifestations of religious violence across Indonesia. Riots, Pogroms, Jihad is strongly grounded in empirical evidence and the author's deep familiarity with Indonesia."—Nancy Lee Peluso, University of California, Berkeley

Users Review

From reader reviews:

Jack Unger:

Nowadays reading books become more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book this improve your knowledge and information. The info you get based on what kind of guide you read, if you want drive more knowledge just go with education books but if you want really feel happy read one with theme for entertaining such as comic or novel. The particular Riots, Pogroms, Jihad: Religious Violence in Indonesia is kind of reserve which is giving the reader erratic experience.

Juan Jensen:

Spent a free time and energy to be fun activity to complete! A lot of people spent their down time with their family, or their very own friends. Usually they accomplishing activity like watching television, about to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your own free time/ holiday? Can be reading a book may be option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to consider look for book, may be the e-book untitled Riots, Pogroms, Jihad: Religious Violence in Indonesia can be very good book to read. May be it may be best activity to you.

Shaun Sae:

Reading a book for being new life style in this season; every people loves to read a book. When you study a book you can get a great deal of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your study, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, in addition to soon. The Riots, Pogroms, Jihad: Religious Violence in Indonesia will give you new experience in reading a book.

Jason Rickman:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Riots, Pogroms, Jihad: Religious Violence in Indonesia can make you experience more interested to read.
