## **Editorial Review**

From Library Journal

This lengthy account of a tribe that has long captured America's imagination covers Cherokee ways and history from their earliest appearance in the Southeast through the forced removal of most of the nation to Indian Territory to life today in North Carolina and Oklahoma communities. The author's well-known line drawings and paintings highlight the text. His chatty, often anecdotal presentation, compounded by casual footnotes and a few obvious inaccuracies, make this book suitable only for the general reader. Eastern Cherokee history is covered more clearly by John Finger in both his *The Eastern Band of Cherokees, 1819 - 1900* (Univ. of Tennessee, 1984) and his *Cherokee Americans: The Eastern Band of Cherokees in the Twentieth Century* (LJ 7/91). -- Mary B. Davis, Huntington Free Lib., Bronx, N. Y.
