The Greatest Generation By Tom Brokaw

The instant classic and runaway bestseller that changed the way we saw World War II and an entire generation of Americans, from the beloved journalist whose own iconic career has lasted more than fifty years.

In this magnificent testament to a nation and her people, Tom Brokaw brings to life the extraordinary stories of a generation that gave new meaning to courage, sacrifice, and honor.

From military heroes to community leaders to ordinary citizens, he profiles men and women who served their country with valor, then came home and transformed it: Senator Daniel Inouye, decorated at the front, fighting prejudice at home; Martha Settle Putney, one of the first black women to serve in the newly formed WACs; Charles Van Gorder, a doctor who set up a MASH-like medical facility in the middle of battle, then opened a small clinic in his hometown; Navy pilot and future president George H. W. Bush, assigned to read the mail of the enlisted men under him, who says that in doing so he “learned about life”; and many other laudable Americans.

To this generation that gave so much and asked so little, Brokaw offers eloquent tribute in true stories of everyday heroes in extraordinary times.

Praise for *The Greatest Generation*

“Moving . . . a tribute to the members of the World War II generation to whom we Americans and the world owe so much.”—*The New York Times Book Review*

“Full of wonderful, wrenching tales of a generation of heroes. Tom Brokaw reminds us what we are capable of as a people. An inspiring read for those who wish their spirits lifted.”—**Colin L. Powell**

“Offers welcome inspiration . . . It is impossible to read even a few of these accounts and not be touched by the book’s overarching message: We who followed this generation have lived in the midst of greatness.”—*The Washington Times*

“Entirely compelling.”—*The Wall Street Journal*

Editorial Review

Amazon.com Review

Veteran reporter and *NBC Nightly News* anchor Tom Brokaw went to France to make a documentary marking the 40th anniversary of D-day in 1984. Although he was thoroughly briefed on the historical background of the invasion, he was totally unprepared for how it would affect him emotionally. Flooded with childhood memories of World War II, Brokaw began asking veterans at the ceremony to revisit their past and talk about what happened, triggering a chain reaction of war-torn confessions and Brokaw's compulsion to capture their experiences in what he terms "the permanence a book would represent."

After almost 15 years and hundreds of letters and interviews, Brokaw wrote *The Greatest Generation*, a representative cross-section of the stories he came across. However, this collection is more than a mere chronicle of a tumultuous time, it's history made personal by a cast of everyday people transformed by extraordinary circumstances: the first women to break the homemaker mold, minorities suffering countless indignities to boldly fight for their country, infantrymen who went on to become some of the most distinguished leaders in the world, small-town kids who became corporate magnates. From the reminiscences of George Bush and Julia Child to the astonishing heroism and moving love stories of everyday people, *The Greatest Generation* salutes those whose sacrifices changed the course of American history. --Rebekah Warren

From School Library Journal

YA-Brokaw defines "the greatest generation" as American citizens who came of age during the Great Depression and the Second World War and went on to build modern America. The vehicle used to define the generation further is the stories told by a cross section of men and women throughout the country. The approximately 50 stories are listed in the table of contents under eight topics: Ordinary People; Homefront; Heroes; Women in Uniform and Out; Shame; Love, Marriage and Commitment; Famous People; and the Arena. The individuals are brought to life by photographs within each chapter. YAs will find this book to be a good resource for decade and World War II research. Unlike any era YAs have known, the 1940s are characterized by a people united by a common cause and values.

From Library Journal

NBC News anchor Brokaw argues that Americans born around 1920 make up one of the greatest generations that ever lived. An NBC-TV special is scheduled for December.
