The Unsung Hero (Troubleshooters, Book 1) By Suzanne Brockmann

Suzanne Brockmann’s wildly popular Troubleshooters series showcases this master storyteller’s rare gift for blending intense adventure with sensuous romance. And it all begins with *The Unsung Hero*, a heart-pounding tale of love that reveals hidden truths and brings two solitary people together against all odds.

After a near-fatal head injury, Navy SEAL lieutenant Tom Paoletti catches a glimpse of an international terrorist in his New England hometown. When he calls for help, the Navy dismisses the sighting as injury-induced imaginings. In a last-ditch effort to prevent disaster, Tom creates his own makeshift counterterrorism team, assembling his most loyal officers, two elderly war veterans, a couple of misfit teenagers, and Dr. Kelly Ashton. As the town’s infamous bad boy, Tom was always in love with Kelly, a sweet “girl next door” who has grown into a remarkable woman. Now he has one final chance for happiness, one last chance to win her heart, and one desperate chance to save the day.

Editorial Review

From Publishers Weekly

Four plot lines are expertly interwoven to create a love story-cum-thriller in the latest work by veteran romance author Brockmann (*Bodyguard*), winner of two Romantic Times Career Achievement Awards and a two-time RITA finalist. Navy SEAL Lt. Tom Paoletti, on medical leave after a near-fatal head injury, returns to his New England hometown and is drawn into an unresolved relationship with the girl he left behind. Kelly Ashton, now a pediatrician, is caring for her dying father when Tom returns to disrupt--and enrich--her life. Then Tom glimpses a terrorist he once pursued who's supposed to be dead, but his antagonistic superiors attribute the unlikely sighting to his head injury. Brockmann keeps the tension high, while also revealing the heartbreaking wartime secret shared by Kelly's father and Tom's beloved uncle. Another subplot involving Tom's niece also plays nicely into the dramatic finale as Tom and a makeshift team must take on terrorist bombers unaided. With its shift in focus from romance to the action subplot, this novel would make a terrific movie. (June)
