Unfaithful: Hope and Healing After Infidelity By Gary Shriver, Mona Shriver

Over ten years ago, Gary and Mona Shriver experienced the devastation caused by adultery, and after experiencing healing in their marriage, they wrote this book. Raw, transparently honest, the Shriver's story alone is an inspiration, offering hope and practical strategies for healing. Now this updated and revised edition adds other real-life stories of betrayal and forgiveness, and new information defining adultery, including the destruction of emotional affairs. And since one in four marriages is touched by infidelity, the need for hope, and a biblical approach to saving a broken marriage, is greater than ever. The Shriver's have shared their story of redemption many times in such media as The 700 Club, Focus on the Family, and RBC's Words to Live By. Yet their most powerful testimony remains this book, a source of hope for wounded marriages everywhere.
