First, they took away her command. Then they took away her freedom. But they couldn't take away her duty and honor. Now they want her back.

Captain Ashlyn Shaw has survived two years in a brutal military prison. Now those who betrayed her are offering the chance for freedom. All she has to do is trust them not to betray her and her people again. If she can do that, and if she can survive the war that looms on the horizon, she can reclaim her life and get the vengeance she's dreamed of for so long.

But only if she can forget the betrayal and do her duty.

Editorial Review

About the Author

I'm older than 20 and younger than death and that's all you'll get from me about my age. After all, it's not polite to ask a woman how old she is. I'm a mother, a daughter and was a wife. I've spent most of my life in the South and love to travel. The only problem with that is my dog always thinks I've abandoned him when I do and it takes weeks to reassure the poor thing and my cat resents the fact I came back before he could figure out a way to kill the dog and hide the body. My house is haunted – it is, really. I swear it. What else explains the table that plays music and the light that comes on by itself? – but it's mine and I love it. Okay, I'm a little strange. But that makes life interesting.
