A Dangerous Invitation (The Rookery Rogues Book 1) By Erica Monroe

Scoundrels, thieves and rebels inhabit the rookeries--where the women are fierce and the men are dangerous.

SHE'S GIVEN UP ON LOVE, AND WANTS ONLY INDEPENDENCE...

Torn from her life of privilege by her father's death, Kate Morgan survives in London's dark and depraved rookeries as a fence for stolen goods. The last man she ever expects, or wants, to be reunited with is her first love, who promised to cherish, honor and protect her, and instead fled amidst accusations of murder.

HE'S THE REFORMED RAKE DETERMINED TO WIN HER BACK.

One drunken night cost Daniel O'Reilly the woman he loved. If he ever wants to reclaim Kate--and his old life--he'll not only have to prove he's innocent of murder, but convince the pistol-wielding hellion that he's no longer the scoundrel he once was.

Together, they'll have to face a killer. Time is running out...

Editorial Review

Review

"Erica Monroe's début historical romance, *A Dangerous Invitation*, takes us into the back alleys of London in an engrossing tale of betrayal, redemption and second chances...Readers will find themselves unable to put the story down as it races to its conclusion. *A Dangerous Invitation* has everything I want in an historical romance - an excellently researched setting, wonderfully realistic flawed characters, steamy love scenes, fast paced action and an overwhelming feeling of complete satisfaction at the end of the story." -**All About Romance, A Rating, Desert Island Keeper**

"If I could inject this book directly into my veins, I would...This book was the perfect escape. It's rich in setting and suspense, and it's a romance between two beautifully damaged people." -**Smart B*tches, Trashy Books, A+ Book**

"Gritty, engaging, and emotionally compelling, with a hero and heroine who will break your heart and have you rooting for them!" -**Vanessa Kelly, USA Today Bestselling Author**

"Engrossing...very evocative of the era. A book with grit, the kind of historical I want to read." -**Delilah Marville, USA Today Bestselling Author**

"The author has a vision for creating the perfect atmosphere in each scene. Her descriptions have a corporeal feel...like a Dickens novel, evokes compassion from the reader for the characters and their struggle." -**Romantic Historical Reviews**

"I would definitely read from [Monroe] again. If you like historicals, but want a break from the familiar light fare, give this one a try." -**Red Hot Books**

"A beautiful love story." -**The Kindle Book Review**

"To say I enjoyed the read is a gross understatement. I 'lived' this read. It touched me on a very personal level...This is a story of hope to overcome even the direst of circumstances; a story that when life throws you lemons, you make that lemonade and fight for a right to make it the best and sweetest lemonade in the world; story of redemption and second chances. Be ready to enter the world Ms. Monroe painstakingly paints with an impressive prose, dialogue and reality soaked brush." -**Bookworm2Bookworm, Best Books of 2013**

From the Inside Flap

Dear Reader,

I have always been drawn to second chance stories. I like to think that if you work hard enough, you'll end up with that happily ever after you've always wanted. This is true for Daniel and Kate: their road is rocky and fraught with peril, but in the end they are better people for the obstacles they've faced. Each must fight hard for their redemption.

In *A Dangerous Invitation*, I wanted to showcase how people who think they know everything about each other find out there's still more to discover. The first time Daniel and Kate were together, they were incendiary, each taking more than the other could give. So when they reunite, they've got not only the ghosts of their past mistakes to work through, but a whole new relationship to build. Neither is the same as they were when they first met each other, yet they're still the perfect person for each other. Their love is forged in gunpower and danger, but it's their mutual understanding that makes it work.
