A Tree for All Seasons (Rise and Shine) By Robin Bernard

A maple tree goes through many changes over the course of the year. It even produces sap that people turn into maple syrup. This book not only answers questions about how trees work and why seasons change, but it also invites the reader to observe and enjoy nature and its many wonders.

Editorial Review

About the Author

Dr. Schifini assists schools across the nation and around the world in developing comprehensive language and literacy programs for English learners. He has worked as an ESL teacher, reading specialist, school administrator and university professor. Through an arrangement with California State Polytechnic University at Pomona, Dr. Schifini currently serves as program consultant to two large teacher-training efforts in the area of reading for second language speakers of English. His research interests include early literacy and language development and the integration of language and content-area instruction.

Users Review

From reader reviews:

Pamela Bradley:
