Copycat: A Novel By Gillian White

An unhealthy friendship takes a sinister turn in this psychological suspense novel perfect for fans of Gillian Flynn's *Gone Girl*.

Martha and Jennie live next door to each other in a small suburban neighborhood. Martha is everything Jennie isn't—attractive, outgoing, and popular, with a handsome husband and perfect children. So Jennie is honored when Martha befriends her, even if—behind Jennie's back—Martha can barely tolerate the clingy and friendless Jennie. But when Jennie starts gaining confidence and succeeding in love and work, Martha's life begins to come apart at the seams. Gradually, the harmless friendship between the two neighbors evolves into destructive obsession. Jennie will do anything to keep Martha to herself. And Martha has her own reasons for keeping Jennie around . . .

Told in the alternating voices of Martha and Jennie, Gillian White's *Copycat* is the story of a fraught female friendship taken to its most extreme conclusion.

Editorial Review

Review

“Gillian White handles her gruesome ingredients with control and intelligence. A novelist of the highest quality.” —*The Independent on Sunday*

From the Publisher

The chilling crime novels of Gillian White have drawn comparisons to the work of Barbara Vine and Minette Walters. With insidious and unnerving accuracy, White shows us the horrors that can lurk within the most ordinary of families. Among her dozen novels, four have been adapted for the screen, including **The Sleeper**, recently a star-studded BBC television series, and **Rich Deceiver**, soon to be a major motion picture starring Sandra Bullock.

From the Inside Flap

Dear God, how I wish I'd never met her?. Sometimes I wished she was dead.

Jennie and Martha became friends when Jennie moved in next door. At least, Jennie thought they were friends. Jennie admired everything about Martha -- her house, her gorgeous husband, her bohemian clothes, even her children's exotic names. Martha seemed to take to motherhood so effortlessly and confidently, while for Jennie it was such an effort. Martha tolerated Jennie, took her on holiday, helped her with the children -- but all the time she was wondering how much longer she could stand living next door.

As time went on, the roles seemed to reverse. As Jennie became more confident, more successful, Martha's life seemed a bit of a mess. At times they seemed less like friends, more like sworn enemies. Their relationship became bitter, twisted -- a relationship which only one of them could survive.
