Editorial Review

About the Author

As a spiritual medium and channeler, Losara received these remarkable answers of universal truth from the Holy Spirit and her master teacher. In over one hundred spiritual readings, you will find what Lincoln referred to as self-evident truths. All arguments become null and void in the face of truth, for the universal laws shine a light so profound that all errors of opinion are illuminated; they vanish almost from embarrassment, for once truth is seen all wonder how they could have believed or lived in the shadows of misperception. All of Losara's work has been given to others free of charge.
