El mapa calcinado (Spanish Edition) By Kobo Abe

Un detective sin nombre es contratado para buscar a alguien que ha desaparecido. Obsesivo, metódico, desconfiado, lleva sus averiguaciones hasta extremos inusitados, analizando cada supuesta prueba hasta reducirla al absurdo. Pronto la investigación se transforma en un laberinto infinito de hipótesis, especulaciones y mentiras. Inevitablemente, está condenado a extraviarse y la esposa del desaparecido, una mujer de inquietante belleza y compleja personalidad, será su único asidero en ese camino.

Un relato extraordinario en el que el trasfondo policial le permite a Abe examinar las imprecisas aristas de lo verdadero y lo falso, lo aparente y lo real, lo vivido y lo soñado. Una incursión en los vericuetos de la psiquis humana, que toca sin compasión algunos de los temas predilectos del autor: la identidad, la alienación, la búsqueda del yo, el pánico, la locura, la desolación, la perversión, la sexualidad, con esa sensibilidad refinada y ese nihilismo desconsolador que hacen recordar a Samuel Beckett, una de sus mayores influencias junto con Kafka.

Otra muestra de la genialidad de uno de los más grandes narradores japoneses del siglo XX.

Editorial Review

Users Review

From reader reviews:

Kathy Wilson:

Hey guys, do you want to find a new book to learn? Maybe the book with the concept El mapa calcinado (Spanish Edition) suitable to you? Often the book was written by well known writer in this era. Often the book entitled El mapa calcinado (Spanish Edition) is a single of several books that everyone read now. This particular book was inspired a lot of people in the world. When you read this publication you will enter the new age that you ever know ahead of. The author explained their thought in the simple way, and so all of people can easily to recognise the core of this publication. This book will give you a lots of information about this world now. So you can see the represented of the world within this book.

Jordan Weatherspoon:

Spent a free a chance to be fun activity to do! A lot of people spent their spare time with their family, or their particular friends. Usually they performing activity like watching television, about to beach, or picnic inside park. They actually doing same every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Could be reading a book may be option to fill your free of charge time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to test look for book, maybe the guide entitled El mapa calcinado (Spanish Edition) can be fine book to read. Maybe it could be best activity to you.

Barbara Shephard:

This El mapa calcinado (Spanish Edition) is great publication for you because the content that is certainly full of information for you who have always deal with world and get to make decision every minute. This specific book reveal it info accurately using great coordinate word or we can point out no rambling sentences inside it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but challenging core information with splendid delivering sentences. Having El mapa calcinado (Spanish Edition) in your hand like obtaining the world in your arm, info in it is not ridiculous one particular. We can say that no reserve that offer you world inside ten or fifteen small right but this book already do that. So, it is good reading book. Heya Mr. and Mrs. active do you still doubt that will?

Jeannette Coleman:

Do you like reading a guide? Confuse to looking for your best book? Or your book had been rare? Why so many concern for the book? But almost any people feel that they enjoy intended for reading. Some people likes reading, not only science book but also novel and El mapa calcinado (Spanish Edition) as well as others

sources were given information for you. After you know how the great a book, you feel desire to read more and more. Science guide was created for teacher or perhaps students especially. Those books are helping them to include their knowledge. In some other case, beside science book, any other book likes El mapa calcinado (Spanish Edition) to make your spare time a lot more colorful. Many types of book like this.
