Heart of the Lion: (Six Pack Book 1) By Thanika Hearth

Liza is in it for the money. People hire her for her unique skills, and whether she's on the side of good or bad, she doesn't usually mind - she gets the job done. Belonging nowhere, she has learned how to fend for herself, and she has everything she needs. Or so she thinks.

Cole is an ex-military alpha lion shifter. Back in the civilian lifestyle, he has made his own pack of misfits and stragglers, but he's struggling to find them work as hired muscle. There's something missing.

When Cole comes face to face with the devastatingly beautiful thief, Liza, he wonders - could she be the missing piece? He'll have to catch her first...

This novel is the first in a series, but it can be read as a standalone with a HEA! Warning: steamier than a lion in a sauna.

Editorial Review

Users Review

From reader reviews:

Dawn Williams:

Nowadays reading books be than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge your information inside the book in which improve your knowledge and information. The data you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want really feel happy read one using theme for entertaining for instance comic or novel. Typically the Heart of the Lion: (Six Pack Book 1) is kind of publication which is giving the reader erratic experience.

Marilyn Leonard:

A lot of people always spent their particular free time to vacation as well as go to the outside with them friends and family or their friend. Did you know? Many a lot of people spent that they free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity this is look different you can read some sort of book. It is really fun for you. If you enjoy the book that you simply read you can spent 24 hours a day to reading a publication. The book Heart of the Lion: (Six Pack Book 1) it is extremely good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. If you did not have enough space bringing this book you can buy often the e-book. You can m0ore quickly to read this book from a smart phone. The price is not to cover but this book offers high quality.

Nancy Jones:

Playing with family inside a park, coming to see the ocean world or hanging out with buddies is thing that usually you could have done when you have spare time, in that case why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Heart of the Lion: (Six Pack Book 1), you may enjoy both. It is great combination right, you still would like to miss it? What kind of hangout type is it? Oh come on its mind hangout people. What? Still don't buy it, oh come on its identified as reading friends.

Hoyt Moore:

Beside this particular Heart of the Lion: (Six Pack Book 1) in your phone, it might give you a way to get nearer to the new knowledge or facts. The information and the knowledge you are going to got here is fresh from oven so don't be worry if you feel like an previous people live in narrow village. It is good thing to

have Heart of the Lion: (Six Pack Book 1) because this book offers to your account readable information. Do you at times have book but you seldom get what it's interesting features of. Oh come on, that wil happen if you have this in your hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. Techniques you still want to miss it?
