Practical Philosophy (The Cambridge Edition of the Works of Immanuel Kant) By Immanuel Kant

This 1997 book was the first English translation of all of Kant's writings on moral and political philosophy collected in a single volume. No other collection competes with the comprehensiveness of this one. As well as Kant's most famous moral and political writings, the Groundwork of the Metaphysics of Morals, the Critique of Practical Reason, the Metaphysics of Morals, and Toward Perpetual Peace, the volume includes shorter essays and reviews, some of which have never been translated before. The volume has been furnished with a substantial editorial apparatus including translator's introductions and explanatory notes to each text by Mary Gregor, and a general introduction to Kant's moral and political philosophy by Allen Wood. There is also an English-German and German-English glossary of key terms.

Editorial Review

Review

"This volume of the comprehensive Cambridge Edition of Kant's works contains excellent translations of all of Kant's main and minor writings on moral and political philosophy." Aaron Fellbaum, *Philosophy in Review*

Language Notes

Text: English (translation)

Original Language: German

From the Back Cover

This is the first English translation of all of Kant's writings on moral and political philosophy collected in a single volume. No other collection competes with the comprehensiveness of this one. As well as Kant's most famous moral and political writings, the *Groundwork of the Metaphysics of Morals*, the *Critique of Practical Reason*, the *Metaphysics of Morals*, and *Toward Perpetual Peace*, the volume includes shorter essays and reviews, some of which have never been translated before. The translation of the *Metaphysics of Morals* by Mary Gregor appears in a new edition to conform to the guidelines of the Cambridge Edition and to reflect some widely accepted textual emendations adopted in a recent German edition of that work. The volume has been furnished with a substantial editorial apparatus including translators' introductions and explanatory notes to each text, and a general introduction to Kant's moral and political philosophy by Allen Wood. There is also an English-German and German-English glossary of key terms.

Users Review

From reader reviews:

Victoria Williams:

Reading a publication can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people like it. First reading a guide will give you a lot of new data. When you read a e-book you will get new information simply because book is one of several ways to share the information or their idea. Second, studying a book will make you actually more imaginative. When you reading through a book especially fictional works book the author will bring someone to imagine the story how the characters do it anything. Third, you may share your knowledge to other individuals. When you read this *Practical Philosophy (The Cambridge Edition of the Works of Immanuel Kant)*, it is possible to tells your family, friends along with soon about yours book. Your knowledge can inspire different ones, make them reading a book.

Edward Torres:

Reading can called head hangout, why? Because if you find yourself reading a book specially book entitled *Practical Philosophy (The Cambridge Edition of the Works of Immanuel Kant)* your head will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging every single word written in a book then become one type conclusion and explanation

that maybe you never get previous to. The Practical Philosophy (The Cambridge Edition of the Works of Immanuel Kant) giving you an additional experience more than blown away your brain but also giving you useful data for your better life within this era. So now let us explain to you the relaxing pattern at this point is your body and mind will probably be pleased when you are finished looking at it, like winning an activity. Do you want to try this extraordinary investing spare time activity?

Karen Plum:

The book untitled Practical Philosophy (The Cambridge Edition of the Works of Immanuel Kant) contain a lot of information on this. The writer explains your ex idea with easy means. The language is very clear and understandable all the people, so do not worry, you can easy to read that. The book was written by famous author. The author brings you in the new period of literary works. You can actually read this book because you can read more your smart phone, or device, so you can read the book in anywhere and anytime. If you want to buy the e-book, you can open their official web-site and order it. Have a nice go through.

James Henderson:

A lot of people said that they feel uninterested when they reading a guide. They are directly felt this when they get a half elements of the book. You can choose often the book Practical Philosophy (The Cambridge Edition of the Works of Immanuel Kant) to make your reading is interesting. Your own personal skill of reading proficiency is developing when you like reading. Try to choose straightforward book to make you enjoy to study it and mingle the impression about book and studying especially. It is to be first opinion for you to like to start a book and study it. Beside that the publication Practical Philosophy (The Cambridge Edition of the Works of Immanuel Kant) can to be a newly purchased friend when you're really feel alone and confuse with the information must you're doing of the time.
