### The Bimbo Elixir (Bimbofication Erotica) By Claudia Daye

Anne is a scientist who's toiled for years on a miracle drug that she's sure will help fix her lack of confidence and lackluster personality.

Frustrated by the long, tedious process of getting a drug to market, she decides to try it herself, and ends up getting much more than she bargained for!

The drug takes hold on her drive home where she's transformed into a full fledged bimbo. In her new body, she only has one thing on her mind. Stuck in traffic, she tries to satisfy her new urges, only to be interrupted by an officer.

The officer drives her to a darkened alley to meet three more of his cop friends, and that's where the real fun really begins.

This story is so **TABOO**, Amazon won't let me say much more. Take a look inside to see for yourself.
