Editorial Review

About the Author

David is in high demand as a lecturer, educator and an accomplished author. He has written and co-written many publications, blending manual therapy skills with neurobiological evidence and clinical decision-making skills for the management of acute and chronic pain states. The Neuro Orthopaedic Institute is an independent, international group of physical therapists dedicated to providing high quality, up-to-date educational resources on the topics of neurodynamics, manual therapy, pain management and health performance. Visit our website for North American and international course schedules, evidence-based lists, blogs supporting NOI products and other relevant resources.

Lorimer is Professor of Clinical Neurosciences & Foundation Chair in Physiotherapy at the University of South Australia, Senior Principal Research Fellow at Neuroscience Research Australia, and Chair of PainAdelaide. A clinician and researcher, he leads an interdisciplinary group of 30 researchers investigating the role of the brain and mind in chronic pain. He is Australia's top-ranked chronic pain researcher. He has written over 150 articles and four books, and is Chief Editor of the most influential web/social media presence in the clinical pain sciences.

Users Review
