The Mayan Oracle: Return Path to the Stars (Book and 44 Cards consisting of : 20 Mayan Star Glyphs, 13 Numbers, and 11 Lenses of Mystery) By Ariel Spilsbury, Michael Bryner

While other divination systems deal with the awareness of our Earth selves, this oracle offers us a galactic perspective. The Mayan symbols are a "language of light" that represents a bridge between physical and spiritual realities, intended to transform our human experience into an experience of the infinite.

Editorial Review

Review

“I always enjoy card sets like these and Inner Traditions has a large valuable collection of other decks like these. But this deck seems bountiful and bringing unique energies into my life to bring healing and consciousness expansion. Definitely well worth checking out for any Mayan enthusiast to learn more about the culture and the galactic language of light and symbolism brought forth from the legendary culture that seems to be the talk of the town.”

DIVINATION / NEW AGE

A hands-on tool to harness the potential for spiritual growth

Box contents

- 44 full-color cards
- 320-page book with 56 illustrations
- Includes divinatory spreads, meditations, and exercises for insight and intuition

As the Mayan calendar comes to a close, we are entering into a time of great opportunity for spiritual growth and higher planetary consciousness. The ancient Maya foresaw this awakening and thus embedded within their archetypal symbols instructions for harnessing the energies activated during this transformational period. Forming a “language of light” that represents a bridge between physical and spiritual realities, these ancient symbols have the power to catalyze growth, change, and awareness. Interacting with these glyphs establishes a personal “resonance,” or direct communication with each of the symbols, creating a conduit through which to receive their galactic energies.

Conceived in a prophetic dream, *The Mayan Oracle* is composed of 44 cards--20 Mayan star-glyphs, 13 numbers, and 11 “lenses of the mystery”--along with an in-depth guidebook. Providing divinatory spreads, poetic meditations, and exercises for insight and intuition, the guide explains each symbol’s Mayan usage, divinatory meaning, and the attributes, elements, and items associated with them--from colors and herbs to ritual movements. Designed to stimulate the intuition, this oracle offers a way to interact with the Mayan archetypes in order to elevate your consciousness to a higher dimension and transform old ways of seeing, doing, and being.

ARIEL SPILSBURY is a spiritual counselor guided by the wisdom of the Maya and the Mayan Oracle. She is a planetary midwife whose focus is on expanding consciousness, building the Sanctuary of the Open Heart, and honoring the Divine Feminine. The author of *The Alchemy of Ecstasy* and *The 13 Moon Oracle*, she lives in San Francisco, California. MICHAEL BRYNER (1950-1998) was a holistic therapist and spiritual counselor and teacher with an interest in Mayan esotericism and shamanism.

About the Author
