Editorial Review

Review

"essential advice for mothers who can't breast-feed" YOU magazine "Clare should be cloned and made freely available to all mothers!" Debra Stottor, Editor, Junior Pregnancy & Baby "I just can't praise her enough" Kate Winslet "Clare takes away the old wives' tales, the nonsense and guilt, and makes the whole process work as it is meant to" Emma Freud "It is, for me, professionally gratifying to have a book written by someone who brings such a balanced approach to both breast- and bottle-feeding. Too often mothers are given so much differing advice as to what they should, or should not do. This book will help a new mother make her own choice and give her expert advice, which will help her with the successful feeding of her baby" Betty Parsons MBE
