### **Zen Lessons: The Art of Leadership** From Brand: Shambhala

This guide to enlightened conduct for people in positions of authority is based on the teachings of several great Chinese Zen masters. Drawing on private records, letters, and long-lost documents of the Song dynasty (tenth to thirteenth centuries), *Zen Lessons* consists of short excerpts written in language that is accessible to the reader without any background in Eastern philosophy. This book serves as a guide to recognizing the qualities of a genuine Zen teacher; it also serves as a study of the character and conduct necessary for the mastery of any position of power and authority—whether religious, social, political, or organizational.
